Cancellation/No-show Policy

As stated in my contract, a client not providing 24-hour advance notice of a missed session will be charged \$50.00. This includes a cancelled appointment without 24 hr. notice or a missed appointment with no notification (no-show). It is understood that emergencies and unforeseen events can occur; if you have experienced an emergency or other event that did not allow you to give 24hr notice for cancellation, please discuss this with your therapist. Thank you for your cooperation and understanding of this policy.

I have read the above policy and agree to pay a \$ 50 fee for any session in which I do not provide 24-hour notice of cancellation or I no-show.
